KidsVoyager Parental Controls

Navigation **Sites**

Please enter parent password and press "OK" to access parental controls.

Password:

(Note: If password is desired, it must first be set.)

Disable Navigation via URL ☐

Disable setting of favorites ☐

Disable setting of home page ☐

Set navigation boundary ☒

Specify boundary size (0 - 9): 0 allows display of pages only from the same website as the home page; 1 additionally allows display of pages to which the home website directly links, etc.

Set New Password:
